

THE TAP IS WHERE IT'S AT!

WHAT ARE YOU DOING, MARIO? READY FOR OUR HIKING TRIP?

HEY, SETH. JUST PUTTING A STICKER ON MY WATER BOTTLE SO I KNOW IT'S MINE.

CAN'T WE JUST BUY SOME BOTTLED WATER INSTEAD?

WHY SPEND MONEY ON BOTTLED WATER WHEN TAP WATER IN THE U.S. IS CLEAN AND SAFE TO DRINK? I'M SAVING MY CASH FOR ICE CREAM AFTER THE HIKE.

BESIDES, MAKING PLASTIC BOTTLES AND SHIPPING BOTTLED WATER AROUND WASTES TONS OF ENERGY AND FUEL.

AND LOTS OF THOSE PLASTIC BOTTLES END UP IN THE TRASH—OR WORSE. I BET WE SEE SOME ALONG THE TRAIL TODAY. WANT THE MARKER?

YOU BET I DO!
